

Social Justice LGBTQ+ College Scholarships 2026

The Uptown Gay and Lesbian Alliance is again awarding \$2,500 and \$1,500 scholarships to graduating seniors from Los Angeles area high schools who are going on to four-year colleges and universities. To receive a scholarship, recipients must demonstrate their active support for issues of social justice such as inclusion, equality, and opportunity for members and allies of the lesbian, gay, bisexual, transgender, questioning, and queer community (LGBTQ+).

The 2026 scholars, along with previous scholarship winners, will play a critical role supporting UGLA's advocacy and ongoing struggle for social justice and LGBTQ+ equality. Since 2021, UGLA has awarded \$65,500 in scholarships.
